

Dear Ken and Steve:

I was visiting my son in Groton a week ago when my daughter who lives in Sharon visited and brought the July 7, Sharon Advocate for me to read. I am impressed with you proposed project and would like to help support it. I will donate \$1,000. when you have enough contributions to determine that the project is feasible.

My name is Sidney Pike

My father was Albert Pike, a kosher butcher who had his store on Blue Hill Avenue just North of Talbot Ave (Franklin Field). I was born in 1927 and we were living on Lucerne Street (off Morton Street). We moved to 911 Blue Hill Avenue next to the Robert Treat Payne School. I attended the Frank Victor Thompson School (7-9th grade) and Dorchester High.

This is all, and more. in my just released book WE CHANGED THE WORLD--Memoirs of a CNN Satellite Pioneer. I helped Ted Turner build his empire and was responsible fro originating CNN International around the world. [I didn't originate CNN].

I was also an usher and manager of the Morton Theatre.

Stay in touch

Sidney
